

Online training for the Section Officers

The 7 day's online training for 22 Section Officers was conducted from 28/09/2020 – 07/10/2020.

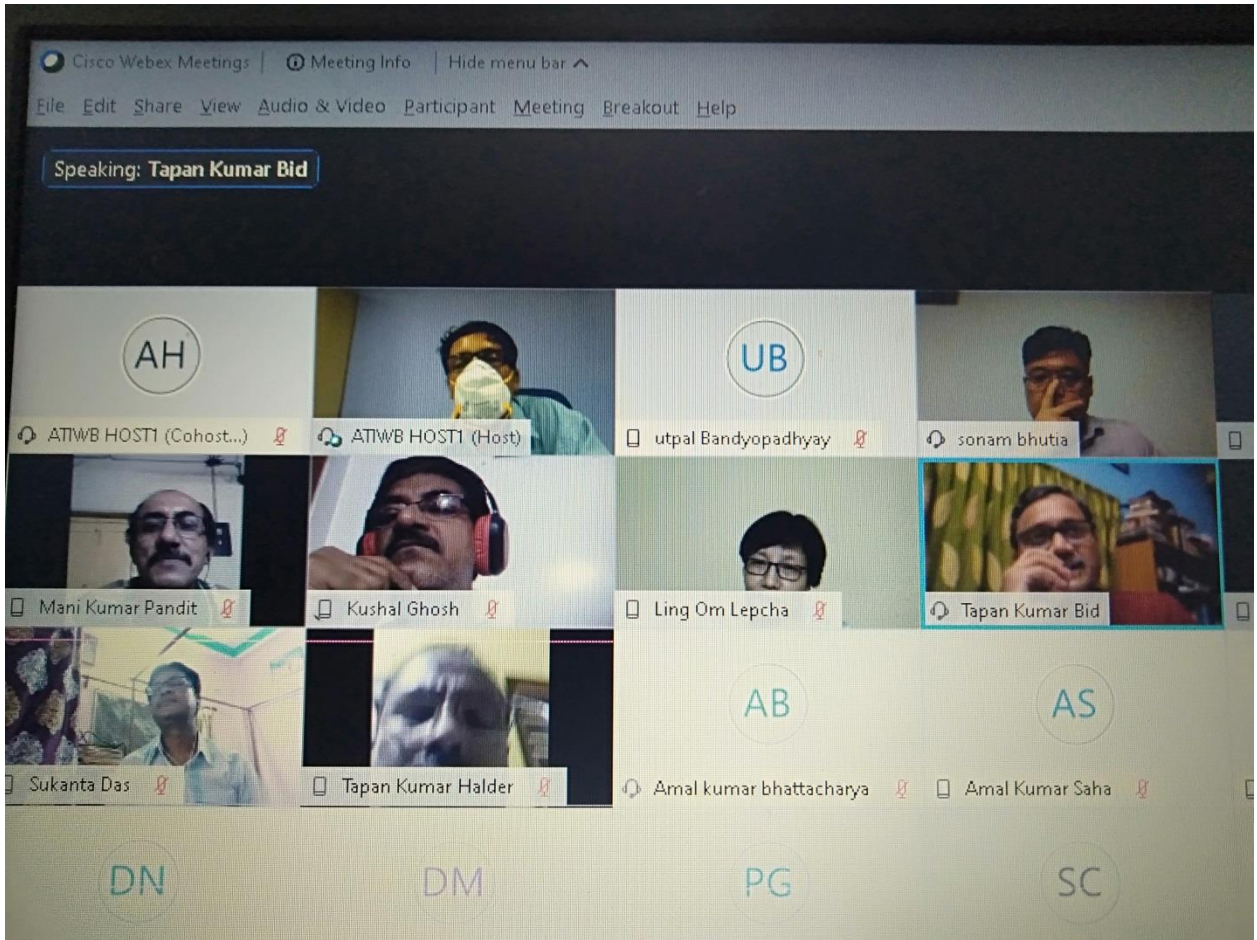

The entire session was geared towards keeping the Officers abreast of the challenges of delivering public service against the backdrop of dynamic governance.

The trainees were forthcoming and each topic deliberated concluded with a doubt clearing session.

The course end evaluation by the trainees has been encouraging and they have suggested certain topics to be added to the course in future.

Shri Sonam Bhutia, WBCS(Exe), Course Director, during an interactive session.

A session is in progress for the Section Officers
